

grade snapshot | twelfth

Twelfth graders are poised to enter the postsecondary world, with college acceptances in hand, robust professional portfolios, a real network of mentors and guides to help shepherd their journey, and concrete plans for how they'll manage money, time, and opportunity once they graduate.

Seniors also often lead clubs or teams, serve as mentors to their younger peers, and work/volunteer outside of school.

essential learning questions

as a New Yorker...

What body of knowledge am I cultivating mastery in?
What knowledge and/or insight could I bring to my city? My borough? My neighborhood?

for myself....

What makes me myself?
What's my story?
How do I tell that story?
